**CREDIT CARDS:** All prices include a 5% discount for payment by cash, check or money order. Credit card payments do not receive this discount. And additional transactional fees may apply

**EXCHANGE RATE FLUCTUATIONS:**

Foreign currency exchange rates fluctuate daily. In the past years the Euro rates versus the US Dollar fluctuated from a low below 1.10 to almost 1.70 (meaning that one Euro cost \$1.10 to \$1.70 US). It is very difficult to set the price of a tour when we cannot predict what exchange rates will do. We price our tours at \$1.10 = € 1 and adjust for fluctuations at final billing. If the rate drops below the original rate, we pass the savings on if rates increases, we must pass those costs on. I have read and agree full terms and conditions at the website favortraveltours.com
